Ring Size Chart

Before measuring your ring size, make sure you have printed this guide on a full US Letter size (8½ x 11 inches) page and scaled to 100%. To check that the Ring Size Chart has been printed properly, place a credit card on the line below and it should be the same size.

To find your ring size, use an existing ring that fits you well. Match the inside of that ring with one of the circles below. If your ideal fit falls between two sizes, we recommend choosing the larger size.
